

Dear Vandalia-Butler businesses and community,

We invite you to be a sponsor for, or participate in the **annual '41 HOPE 5K'** Blake LaForce Memorial Run/Walk. It supports the **Blake LaForce #41 Memorial Fund**. Your sponsorship donation will be highlighted, on our custom **Sponsor Banner, at Butler Memorial Stadium and on our website;** <https://41hope5k.com>.

The 41 HOPE 5K is Saturday, August 31, at BUTLER Memorial Stadium. The race starts time is 9 AM.

Blake LaForce, a 2009 graduate of Butler High School, fought a long battle to beat leukemia, enduring a bone marrow transplant and its complications. Blake lost this battle, on July 3, 2009, but forever won and his legacy continues to make a difference. This Memorial fund has awarded 26 scholarships (13 girls & 13 boys) totaling \$52,000 to date. The fund is not only for these annual scholarships, it is also for the enhancement of our student athletes' high school experience. The fund also gives to the Leukemia & Lymphoma Society to support the fight against all blood cancers.

Athletes + Community = TEAM! Business, community & youth support are necessary, for this high school fundraiser, providing the best for our student athletes. You can support this worthy cause in a variety of ways.
